

The U. S. Marine Corps Reserves asks the packs, troops and crews of Patriots' Path Council to assist with the 2013 Toys For Tots campaign.

In 2012, Toys For Tots received 250,000 requests within our area but could only deliver 142,000 toys.
We can make a big difference.

MANY WAYS YOU CAN HELP

- set up and service a collection box (or boxes) in your town
- collect from your unit's members at your November meeting(s)
 - bring your collection to your December Roundtable or to the University of Scouting on December 7
- help sort the collections at Picatinny Arsenal between December 10-24
 - help unload the Toys For Tots Train in Butler on December 7 between 3:00-5:00 pm (time is approximate)

All toys should be new and unwrapped.

Remember to report your service hours at <http://us.ppbsa.org/goodturn/report>.
