Youth Protection Training validation for adult leaders

Last pages of the package

In the last pages of the charter package there are several summary listings including one entitled "Adults without Youth Protection Training Report".

This report indicates that training is necessary, current training is not included in the individual's record. Certificates indicating completion of Youth Protection Training must be submitted with the charter or the individual may be removed. If the charter renewal cannot be processed due to missing training for an adult registrant, the adult will be removed from the charter until the error is resolved.

Therefore any Youth Protection Training completed prior to December 31, 2011 is not current and must be completed before the adult can be registered.
