

Sending Your Heart

Did you know that 4,400 students commit suicide as a result of bullying every year?

“Isn't it enough?”

“It's time to take a stand against bullying!”

➤ Law Explorer Post 629 is asking for your help. All we ask is that you make a heart out of an 8 ½ x 11 sheet of paper (any color) with a written message on it from you to all the victims of bullying. Then send in your heart to us by mailing it to: *Law Explorer Post 629, 629 North Wood Ave., Suite 5, Linden NJ, 07036.*”

➤ Our goal is to receive 220,000 hearts to represent one heart from each state for each person that has committed suicide as a result of bullying according to National Statistics

“Its time to make a difference!”
