## MERIT BADGE INTRO WORKSHOP

**SATURDAY MORNING, NOVEMBER 22, 2014**

*Sponsored by the Patriots' Path Council Advancement Committee*

Are you a Merit Badge Counselor who could give a few hours to provide an *introduction* to a merit badge in a classroom (1 or 2 hour session) environment ? We are currently enrolling qualified instructors now thru mid-August.

If you live or work in the Patriots' Path Council area please send an email to [ppbsambws@gmail.com](mailto:ppbsambws@gmail.com) Let us know in which district you are (or will) register, and which merit badge or badges you would like to be considered. With team teaching planned for each class, you may even learn something yourself!

*Bruce Benson, 2014 MB Workshop Chair*

Classroom environment ideal for STEM (*Science, Technology, Engineering, Math*) Merit Badges too!

### **Event Location: Brooklawn Middle School**

Beachwood Road at Rt. 202, Parsippany

Also conveniently accessible from Routes 10, 287 & 80
