

Starting on June 6th you can join Scouting in Patriots' Path Council from your Smartphone, Tablet, Laptop or home computer!

ONLINE REGISTRATION FOR UNITS

The online registration system is designed to make it easy for families to join Scouting. They can find a unit or apply to the unit of their choice. The system walks them through the application and payment process. If there is an application or lead, the unit Key 3 will receive a notification once a day letting them know they have actions to take.

GETTING STARTED

Updating your My.Scouting profile is an essential step to ensuring that you receive the notifications from Invitation Manager or Application Manager showing what actions you must take.

UPDATE YOUR PROFILE

Make sure your address, phone number, email address and other information is correct. You can also update your password and security questions.

SETUP YOUR UNIT BEASCOUT PIN

The transition to online registration will begin on May 15th. You can begin to accept online applications on June 6th. On May 15th, your BeAScout pin will be reset to Council Mode. You will need to go in to set your pin back to unit mode. This process will help serve to proof all the information and allow you to confirm your unit's acceptance of online applications.

Change your Unit Pin Mode to Unit so that applications or requests for information will come directly to your unit Invitation Manager or Application Manager.

Change your Pin Status to Active so that your unit location shows on BeAScout.

Set your Apply Status to Active so that the "Apply Now" button displays on your units BeAScout pin.

UPDATE UNIT INFORMATION

Check and enter your unit's web address, your unit's primary contact information, and your unit's meeting address

CONFIGURING THE ONLINE REGISTRATION SYSTEM

Payment options – Select between credit and/or cash. If credit is selected the system will collect the national registration and Boys' Life fees only. The unit still would need to collect local dues independently.

Committee chair recommendation for adult positions - If selected, the committee chair can provide input to the charter representative on adult applications. The charter representative needs to approve or reject regardless of this setting.

Adult application availability – Enable system to collect adult applications. Since adult applications are approved by your charter organization rep, you need to ensure that person has the computer resources and checks email before turning on this option.

Unit Fee Message – Provides users with a message about the unit dues. These dues are not collected by the system.

Automated Welcome Email – Allows unit to add a welcome message to the automated email.
