

# Lion Materials

SKU #632930, SKU #622060, SKU #632931

Lion is a national pilot program of the Boy Scouts of America® for kindergarten-age boys (who have turned age 5 by September 1). In this family-oriented program, a youth and his parent or caring adult partner join Scouting together. A group of six to eight boys and their adult partners meet together in a group called a den. Dens will meet approximately twice per month. They have fun participating in den meetings and outings while making memories together.
